

Can a Muslim be a Muslim-American?

No. With the stark reality of these facts, why in the world are Americans voting Muslims into office?

Seeing the Muslim sworn into the US Congress brought this article to mind. What do you think? I think this pretty much sums up this question! We are living in the twenty first century version of the "Crusades" Have you ever thought --

Is Muslim-American really an oxymoron? Can a devout Muslim be an American patriot and a loyal citizen?

I forwarded that question to a friend who worked in Saudi Arabia for 20 years. The following is his forwarded reply:

"Theologically, no. Because his allegiance is to Allah, the moon god of Arabia.

Religiously, no. Because no other religion is accepted by his Allah except Islam (Quran, 2:256)

Scripturally, no Because his allegiance is to the five pillars of Islam and the Quran.

Geographically, no. Because his allegiance is to Mecca, to which he turns in prayer five times a day.

Socially, no. Because his allegiance to Islam forbids him to make friends with Christians or Jews.

Politically, no. Because he must submit to the mullah (spiritual leaders), who teach annihilation of Israel and destruction of America, the great Satan.

Domestically, no. Because he is instructed to marry four women and beat and scourge his wife when she disobeys him. (Quran 4:34).

Intellectually, no. Because he cannot accept the American Constitution since it is based on Biblical principles and he believes the Bible to be corrupt.

Philosophically, no. Because Islam, Mohammed, and the Quran do not allow freedom of religion and expression.

Democracy and Islam cannot co-exist. Every Muslim government is either dictatorial or Autocratic.

Spiritually, no. Because when we declare "one nation under God," the Christian's God is loving and kind, while Allah is NEVER referred to as heavenly father, nor is he ever called love in the Quran's 99 excellent names."

Therefore after much study and deliberation.... perhaps we should be very suspicious of ALL MUSLIMS in this country. They obviously cannot be both "good" Muslims and good Americans. Call it what you wish... it's still the truth.

If you find yourself intellectually in agreement with the above statements, perhaps you will share this with your friends. The more who understand this, the better it will be for our country and our future.

The religious war is bigger and more complex than most Americans currently know or understand. A Muslim cannot be an American. Their Quran prohibits it.
