

Jesus by Kathie Walters

Jesus is altogether lovely, He saves us, and keeps by His power, from sin and death. He has given to us His robe of righteousness. He extends his mercy, longsuffering, loving kindness, tenderness, healing, compassion. He is our shield, our defender, our rock, our hiding place. He is our provider, counselor, great shepherd, our friend, who is closer than a brother, our love. He is the Husbandman, the keeper of the vineyard. He is the source of all blessing. He restores, rescues, forgives and redeems. He is our victor, the captain of hosts. He is our banner, and our standard, mighty in battle. He is the King of Kings and Lord of Lords. Jesus is crowned with glory and honor. He is our savior, sanctifier, redeemer. He is our merciful and faithful high priest. He is the Alpha and Omega, the Beginning and the End. He was dead but now He is ALIVE forevermore and He is seated at the right hand of God. He destroyed death, and led captivity captive. He is the great Apostle of our faith.

He is the supreme sacrifice, the spotless and blameless lamb. He is our anchor, our strong tower, our shield, our defender. He was the Ancient of Days before the first day began. He is the forerunner, the firstborn among many brethren. He is the guarantee of a better testament. He comes from the unchangeable priesthood, He is able to save to the uttermost. His presence cast no shadow because He is the light that lights the heavenly city. He is the light of the world and the giver of life. He is the door, the way and the truth. He is the treasure, the pearl of great price, more precious than the finest gold. He was the rock of ages before any mountain peaks were formed. He was the bread

of life before there was any grain. He was the lily of the valley before there were any flowers on the earth. He is the eternal intercessor and He is holy, harmless, undefiled, separate from sinners, higher than the heavens, He makes His enemies His footstool and laughs at His adversaries. He came from eternal glory to the depths of humiliation. He abdicated heavens throne for a pile of straw in manger. He sacrificed infinite riches to embrace poverty. He bade farewell to heaven's love to receive men's hatred and shame. He surrendered heavens adoration to suffer scorn, and He turned from celestial bliss and life with Cherubim and seraphim to die between two thieves on a cross.

He is the tree of life. He is consecrated for ever and makes us sanctified forever, by His precious blood. He is the minister of the Eternal Sanctuary. He is the mediator the New Covenant. He is the high priest of the GOOD THINGS that have come. He's the Lion of Judah, and the Lamb of God slain. He is the new and living way. He was born contrary to the laws of birth. He lived contrary to the laws of life. He healed, contrary to the laws of medicine. He was tried and condemned contrary to the laws of justice and He arose, contrary to the laws of death and the grave. He ascended contrary to the laws of gravity and He is coming back again contrary to the expectation of the world.

He is the same yesterday, today and forever. He is the great shepherd of ALL THE SHEEP. HE IS THE HOLDER OF THE KEYS, HE IS THE AMEN, HE IS THE FINAL WORD. He is qualified to open the Book, He is the expression of the heart of the Father. His love has no limits. His grace has no measure. His power has no boundaries known unto men, out of His infinite riches, He gives and

gives and gives again. He is our nearest Kinsman, and is qualified to redeem us. He is THE WORD MADE FLESH, the honey in the rock. He is high and lifted up. He is the lily of the valley the bright and morning star, the fairest of 10,000. He is more precious than gold, He's the glory and lifter of our heads. He is the righteous judge. He is a refuge for the oppressed. He doesn't forget the cry of the humble. He bore our sorrows and our grief. He was despised and rejected of men and now He controls the destiny of the nations. The kingdoms of this world are going to become the kingdoms of our Lord and of His Christ and He shall reign for ever and for ever. He is our portion and our inheritance. His garments smell of sweet myrrh and His breath is as sweet apples. He is a very present help in trouble. He hides us under the shadow His wings, and keeps us as the apple of His eye. He is our high tower. He makes the hills shake, the mountains melt, the heavens bow. He pulled back the curtain of eternity and stepped out on the stage of time for one brief moment, and then stepped back again into eternity, but in that one brief moment of time He sealed the fate of every man and fixed the destiny of every man and woman. He will light my life because He is the light of life.

He is the branch, and the root of Jesse. He makes the crooked paths straight and the rough places plain. He split history, and divided the ages. He is the greatest teacher the world has ever known. He is the Baptizer in the Holy Ghost. He preserves the faithful. He is the resurrection and life. He spoke and framed the world. He makes our way perfect and makes our feet like hinds feet. He causes us to walk in high places. He is able to comfort, guide and bless. He spoke and gave life to the dead, brought healing to the

sick, strength to the weak, and forgiveness to the sinner. Herod could not kill him. The Pharisees could not confound him, Satan could not trick Him. Sickness could not withstand him. Demons could not remain near Him. The waves could not drown Him. The rabble could not disturb Him. Death could not consume Him. Hell could not keep Him, the grave could not contain Him, Gravitation could not restrain Him and despite His earthy humiliation, God has highly exalted Him and given Him a Name above every name and at His name every knee shall bow and every tongue shall confess that He is Lord of all. He led captivity captive and gave gifts to men.

He fed 5000 with two loaves and a few fishes. He is Savior to the lost, healing to the sick, He is hearing to the deaf and sight to the blind. He is cleansing to the leper, and strength to the weak. He is comfort to the oppressed, hope to the hopeless and help to the helpless. He is a brother to the friendless and a friend to the brother-less and He is LIFE to the dead. He is infinite, eternal, glorious and full of majesty. He is the covenant keeper keeping-covenant with covenant breakers. He is sweeter than all the flowers. He is the lover of our soul and the keeper of our hearts. He is verse to the poet, and a song to the singer. His Name has been whispered by thousands upon thousands of dying soldiers on the battlefields of the ages. His name has been the battle cry of those who fought for righteousness and truth. HE IS THE KING OF ALL KINGS AND ALL RULERS AND EVERY NATION WILL BOW TO HIM. HIS NAME IS JESUS.... (from Kathie Walters.
