If Feminism was only about equality and fairness there would be no reason to resist it. However, there is a dark side to feminism that every Christian should know about.

Compiled by Roger Sapp
Quotes from Feminists About Christianity, God, Marriage, Men, Women and Children Compiled by Dr. Roger Sapp. www.allnationsmin.org This ebook is copyrighted but may be shared freely on the internet by posting on Social Media sites and sent by email.

You will find in these quotes the following:

1. They are anti-God, anti-Christian, anti-male, anti-heterosexual sexual relations, anti-marriage, anti-capitalism, anti-privacy, and anti-traditional family: husband, wife and children.

2. They are pro-lesbian, pro-abortion, pro-infanticide, pro-liberalized rape accusations, pro-socialism, pro-communism, pro-government control of "family."

3. You will see a revision of all history to see it as a form of class struggle between men and women (which is very similar to Marxism.)

4. You will see plans to introduce many forms of "family" and "marriage" to weaken heterosexual marriage. They have succeeded at this.

5. You will see a characterization of all men as abusers and rapists.

6. You will see a radical plan for creation of a world without male influence by drastic reduction of the number of men in the population to less than 10%. They would use abortion of 90% of male babies over a long period of time to accomplish this.

Here are the quotes:

"Marriage has existed for the benefit of men; and has been a legally sanctioned method of control over women... We must work to destroy it. The end of the institution of marriage is a necessary condition for the liberation of women. Therefore it is important for us to encourage women to leave their husbands and not to live individually with men... All of history must be re-written in terms of oppression of women. We must go back to ancient female religions like witchcraft." From "The Declaration of Feminism," November 1971:
“By the year 2000 we will, I hope, raise our children to believe in human potential, not God.” Gloria Steinem: Feminist leader, former editor and co-founder of "Ms" Magazine.

"Overthrowing capitalism is too small for us. We must overthrow the whole... patriarch!" Sheila Conam: Member of "Feminists—A Political Organization to Annihilate Sex Roles"

"Since marriage constitutes slavery for women, it is clear that the women's movement must concentrate on attacking this institution. Freedom for women cannot be won without the abolition of marriage." (1988 Houston National Organization for Women {NOW} Conference for Women.).

"The simple fact is that every woman must be willing to be identified as a lesbian to be fully feminist." (National NOW Times, Jan.1988)

“The most merciful thing a large family can do to one of its infant members is to kill it.” “Women in the New Race”, pg. 67. Margaret Sanger: Early Feminist, advocate of abortion and eugenics (government control over breeding of human beings). She held racist beliefs about the superiority of certain races. Founder of abortion organization that became Planned Parenthood, the USA's largest abortion clinic business.

"All sex, even consensual sex between a married couple, is an act of violence perpetrated against a woman." You grow up with your father holding you down and covering your mouth so another man can make a horrible searing pain between your legs." Catherine McKinnon: Feminist and legal scholar and professor at the University of Michigan and Yale.

“Feminism, Socialism, and Communism are one in the same, and Socialist/Communist government is the goal of feminism.” Catherine McKinnon: Feminist and legal scholar and professor at the University of Michigan and Yale.

"Politically, I call it rape whenever a woman has sex and feels violated." Catherine McKinnon: Feminist and legal scholar and professor at the University of Michigan and Yale.

"All sex, even consensual sex between a married couple, is an act of violence perpetrated against a woman." Catherine McKinnon: Feminist and legal scholar and professor at the University of Michigan and Yale.
"In a patriarchal society, all heterosexual intercourse is rape because women, as a group, are not strong enough to give meaningful consent" - quoted in "Professing Feminism: Cautionary Tales from the Strange World of Women's Studies" Catherine McKinnon: Feminist and legal scholar and professor at the University of Michigan and Yale.

"I haven't the faintest notion what possible revolutionary role white heterosexual men could fulfill, since they are the very embodiment of reactionary-vested-interest-power. But then, I have great difficulty examining what men in general could possibly do about all this. In addition to doing the sh*twork that women have been doing for generations, possibly not exist? No, I really don't mean that. Yes, I really do." Robin Morgan: Former editor of "Ms" Magazine, Author, founding member of "New York Radical Women" and "W.I.T.C.H." (Women's International Terrorist Conspiracy from Hell)

"I feel that 'man-hating' is an honorable and viable political act, that the oppressed have a right to class-hatred against the class that is oppressing them." Robin Morgan: Former editor of "Ms" Magazine, Author, founding member of "New York Radical Women" and "W.I.T.C.H." (Women's International Terrorist Conspiracy from Hell)

"I claim that rape exists any time sexual intercourse occurs when it has not been initiated by the woman, out of her own genuine affection and desire."— "The Demon Lover" (NY: Norton & Co.) Robin Morgan: Former editor of "Ms" Magazine, Author, founding member of "New York Radical Women" and "W.I.T.C.H." (Women's International Terrorist Conspiracy from Hell)

"As long as some men use physical force to subjugate females, all men need not. The knowledge that some men do suffices to threaten all women. He can beat or kill the woman he claims to love; he can rape women ... he can sexually molest his daughters ... THE VAST MAJORITY OF MEN IN THE WORLD DO ONE OR MORE OF THE ABOVE" - The War Against Women, p. 182 (Capitals letters are her emphasis.) Marilyn French: Feminist Author, English Professor, College of the Holy Cross
"All patriarchists exalt the home and family as sacred, demanding it remain inviolate from prying eyes. Men want privacy for their violations of women ... All women learn in childhood that women as a sex are men's prey" - "The War Against Women," p. 186 Marilyn French: Feminist Author, English Professor, College of the Holy Cross

"The media treat male assaults on women like rape, beating, and murder of wives and female lovers, or male incest with children, as individual aberrations ... obscuring the fact that all male violence toward women is part of a concerted campaign." - "The War Against Women," p. 21 Marilyn French: Feminist Author, English Professor, College of the Holy Cross

"My feelings about men are the result of my experience. I have little sympathy for them. Like a Jew just released from Dachau, I watch the handsome young Nazi soldier fall writhing to the ground with a bullet in his stomach and I look briefly and walk on. I don't even need to shrug. I simply don't care. What he was, as a person, I mean, what his shames and yearnings were, simply don't matter." - "The Women's Room" In fiction authored by Marilyn French: Feminist Author, English Professor, College of the Holy Cross

"All men are rapists and that's all they are." The character "Mia" in her novel "The Women's Room," p. 462 In fiction authored by Marilyn French: Feminist Author, English Professor, College of the Holy Cross

"Marriage as an institution developed from rape as a practice." Andrea Dworkin:

"Heterosexual intercourse is the pure, formalized expression of contempt for women's bodies." Andrea Dworkin:

"In my own life, I don't have intercourse. That is my choice." Andrea Dworkin:

Q: People think you are very hostile to men. A: "I am." Andrea Dworkin:

"Men use the night to erase us." Andrea Dworkin:

"The annihilation of a woman's personality, individuality, will, character, is prerequisite to male sexuality." Andrea Dworkin:

"I want to see a man beaten to a bloody pulp with a high-heel shoved in his mouth, like an apple in the mouth of a pig..." Andrea Dworkin:
“Under patriarchy, every woman's son is her potential betrayer and also the inevitable rapist or exploiter of another woman.” Andrea Dworkin:

"...for a woman, the home is the most dangerous place in the world!" Andrea Dworkin:

"The traditional flowers of courtship are the traditional flowers of the grave, delivered to the victim before the kill. The cadaver is dressed up and made up and laid down and ritually violated and consecrated to an eternity of being used." Andrea Dworkin:

"The institution of sexual intercourse is anti-feminist." Ti-Grace Atkinson:

"Feminism is the theory, lesbianism is the practice." Ti-Grace Atkinson:

"Rape is nothing more or less than a conscious process of intimidation by which all men keep all women in a state of fear" - "Against Our Will," p.6 Susan Brownmiller: Author

"In order to raise children with equality, we must take them away from families and communally raise them." Dr. Mary Jo Bane: Assistant Professor of Education at Wellesley College and Associate Director of the school's Center for Research on Woman)

"Men who are unjustly accused of rape can sometimes gain from the experience." (Catherine Comin, Vassar College. Assistant Dean of Students).

"To use the word [rape] carefully would be to be careful for the sake of the violator, and the survivors don't care a hoot about him. ... They [men unjustly accused of rape] have a lot of pain, but it is not a pain that I would necessarily have spared them. I think it ideally initiates a process of self-exploration. 'How do I see women?' 'If I didn't violate her, could I have?' 'Do I have the potential to do to her what they say I did?' Those are good questions." - Catherine Comins, assistant dean of student life at Vassar in 1991 [15]

"The male is a domestic animal which, if treated with firmness...can be trained to do most things" - Jilly Cooper

“I found God in myself and I loved her fiercely…” Roman Catholic theologian Carol Crist
"If life is to survive on this planet, there must be a decontamination of the Earth. I think this will be accompanied by an evolutionary process that will result in a drastic reduction of the population of males." - Mary Daly, former Professor at Boston College, 2001

"The incest taboo can be destroyed only by destroying the nuclear family as the primary institution of the culture. The nuclear family is the school of values in a sexist, sexually repressed society... The alternative to the nuclear family at the moment is the extended family or the tribe. The growth of tribe is part of the process of destroying particularized roles and fixed erotic identity. As people develop fluid androgynous identity, they will also develop the forms of community appropriate to it. We cannot really imagine what those forms will be." (Shulamith Firestone - The Dialectics of Sex)

"Ninety-five percent of women's experiences are about being a victim. Or about being an underdog, or having to survive ... women didn't go to Vietnam and blow things up. They are not Rambo." - Jodie Foster, Actress - Lesbian - as quoted in The New York Times Magazine

"I was, in reality, bred by my parents as my father's concubine... What we take for granted as the stability of family life may well depend on the sexual slavery of our children. What's more, this is a cynical arrangement our institutions have colluded to conceal" - Sylvia Fraser, Journalist

"Men, as a group, tend to be abusive, either verbally, sexually or emotionally. There are always the exceptions, but they are few and far between (I am married to one of them). There are different levels of violence and abuse and individual men buy into this system by varying degrees. But the male power structure always remains intact." - Message on FEMISA, responding to a request for arguments that men are unnecessary for a child to grow into mature adulthood.

"Considering the nature and pervasiveness of men's violence, I would say that without question, children are better off being raised without the presence of men. Assaults on women and children are mostly perpetrated by men whom they are supposed to love and trust: fathers, brothers, uncles, grandfathers, step-fathers." (Both above quotes taken from Daphne Patai's excellent critical work, Heterophobia) Another posting on FEMISA:
"Probably the only place where a man can feel really secure is in a maximum security prison, except for the imminent threat of release."
Germaine Greer

“Being a housewife is an illegitimate profession. The choice to serve and to be protected and plan towards being a family maker is a choice that shouldn’t be. The heart of radical feminism is to change that.” Vivian Gornick, feminist author speaking at the University of Illinois and quoted in "The Daily Illini," April 25, 1981.

The nuclear family must be destroyed… Whatever its ultimate meaning, the break-up of families now is an objectively revolutionary process." — Linda Gordon

"The proportion of men must be reduced to and maintained at approximately 10% of the human race" - Sally Miller Gearhart, in The Future - If There Is One - Is Female

"And if the professional rapist is to be separated from the average dominant heterosexual (male), it may be mainly a quantitative difference." - Susan Griffin, Rape: The All-American Crime

"Let's forget about the mythical Jesus and look for encouragement, solace, and inspiration from real women ... Two thousand years of patriarchal rule under the shadow of the cross ought to be enough to turn women toward the feminist 'salvation' of this world" - Annie Laurie Gaylor, "Feminist Salvation," The Humanist, p. 37, July/August 1988

"When a woman reaches orgasm with a man she is only collaborating with the patriarchal system, eroticizing her own oppression." - Sheila Jeffrys

"I believe that women have a capacity for understanding and compassion which man structurally does not have, does not have it because he cannot have it. He's just incapable of it." (Former Congresswoman Barbara Jordan)

"I'm furious with the Women's Liberationists. They keep getting up on soapboxes and proclaiming women are brighter than men. That's true, but it should be kept quiet or it ruins the whole racket" - Anita Loos

"Man-hating is everywhere, but everywhere it is twisted and transformed, disguised, tranquilized, and qualified. It coexists, never peacefully, with the love, desire, respect, and need women also feel for men. Always man-
hating is shadowed by its milder, more diplomatic and doubtful twin, ambivalence." - Judith Levine, Authoress

"I feel what they feel: man-hating, that volatile admixture of pity, contempt, disgust, envy, alienation, fear, and rage at men. It is hatred not only for the anonymous man who makes sucking noises on the street, not only for the rapist or the judge who acquits him, but for what the Greeks called philoalphilos, 'hate in love' for the men women share their lives with - husbands, lovers, friends, fathers, brothers, sons, co-workers." - Judith Levine, Authoress of My Enemy, My love

"There are no boundaries between affectionate sex and slavery in (the male) world. Distinctions between pleasure and danger are academic; the dirty-laundry list of 'sex acts' ... includes rape, foot binding, fellatio, intercourse, auto eroticism, incest, anal intercourse, use and production of pornography, cunnilingus, sexual harassment, and murder" - Judith Levine; summarizing comment on the WAS document (A Southern Women's Writing Collective: Women Against Sex)

Catharine MacKinnon maintains that "the private is a sphere of battery, marital rape and women's exploited labor." In this way, privacy and family are reduced to nothing more than aspects of the master plan, which is male domination. Democratic freedoms and the need to keep the state's nose out of our personal affairs are rendered meaningless. The real reason our society cherishes privacy is because men have invented it as an excuse to conceal their criminality. If people still insist that the traditional family is about love and mutual aid - ideals which, admittedly, are sometimes betrayed - they're "hiding from the truth" The family isn't a place where battery and marital rape sometimes happen but where little else apparently does. Sick men don't simply molest their daughters, they operate in league with their wives to "breed" them for that purpose - Donna Laframboise; The Princess at the Window (in a critical explication of the Catharine MacKinnon, Gloria Steinem et al, tenets of misandric belief)

Dedicated to Sachi, Mother Kathleen Anbila, and all the other women and men who seek the spiritual feminine in themselves. Male is matter, matter is male, matter is evil, male is evil, feminine is spirit, spirit is feminine, and that's good.” Shirley McClain, dedication page of her book “Going Within”

(Delaney Nickerson, of the American Coalition for ABUSE AWARENESS, refers to the False Memory Syndrome Foundation as "The F---ing Molesters Society" (Miami Herald, April 3, 1995) The ACAA is a lobbying group, which includes Ellen Bass (co-author of THE COURAGE TO
HEAL), and Rene Frederickson, leading feminist psychotherapist and strong proponent of repressed memory theory)

"Women's chains have been forged by men, not by anatomy." - Estelle R. Ramey

"To call a man an animal is to flatter him; he's a machine, a walking d*Id*." SCUM (Society for Cutting Up Men) Manifesto. (Valerie Solanas)

"Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation, and destroy the male sex" - Valerie Solanas, author of the SCUM Manifesto (Society for Cutting Up Men

We are, as a sex, infinitely superior to men" - Elizabeth Cady Stanton, from her diary of December 27, 1890, quoting a letter she wrote.

"The more famous and powerful I get the more power I have to hurt men." - Sharon Stone, Actress

"If the classroom situation is very heteropatriarchal - a large beginning class of 50 to 60 students, say, with few feminist students - I am likely to define my task as largely one of recruitment ... of persuading students that women are oppressed" - Professor Joyce Trebilcot of Washington University, as quoted in "Who Stole Feminism: How Women Have Betrayed Women"

In response to a question concerning China's policy of compulsory abortion after the first child, Molly Yard responded, "I consider the Chinese government's policy among the most intelligent in the world." (Gary Bauer, "Abetting Coercion in China," The Washington Times", October 10, 1989)

"Women have their faults / men have only two: / everything they say / everything they do" -- Popular Feminist Graffiti

From “A Feminist Dictionary”; ed. Kramarae and Triechler, Pandora Press, 1985: MALE: ... represents a variant of or deviation from the category of female. The first males were mutants ... the male sex represents a degeneration and deformity of the female.
MAN: ... an obsolete life form ... an ordinary creature who needs to be watched ... a contradictory baby-man ...
TESTOSTERONE POISONING: 'Until now it has been though that the level of testosterone in men is normal simply because they have it. But if you consider how abnormal their behavior is, then you are led to the hypothesis that almost all men are suffering from "testosterone poisoning."

Letter to editor: "Women's Turn to Dominate" "... Clearly you are not yet a free-thinking feminist but rather one of those women who bounce off the male-dominated, male-controlled social structures. Who cares how men feel or what they do or whether they suffer? They have had over 2000 years to dominate and made a complete hash of it. Now it is our turn. My only comment to men is: if you don't like it, bad luck - and if you get in my way I'll run you down." Signed: Liberated Women, Boronia Herald-Sun, Melbourne, Australia. 9 February 1996

“Sexuality is not simply a matter of games people play. It is one of the few matters, truly of life and death to society.” (If the feminist agenda succeeds, he warns..) “Our society is doomed to years of demoralization and anarchy, possibly ending in a police state”. George Guilder, Quote from a former feminist philosopher.
