

Biography for Roger Sapp updated August 24, 2006

Dr. Roger W. Sapp received Christ as his Savior and Baptizer in the Holy Spirit in a Youth With A Mission coffeehouse ministry for American soldiers in former West Germany in 1972. For next twenty years his experience of physical healing was unpredictable, unreliable and mysterious. In 1992, he had a breakthrough that changed his understanding of healing by focusing him on Christ as the perfect example of healing ministry. Since that time more than 20,000 healings, deliverances, and creative miracles have accompanied his ministry. For the past ten years he has been equipping other believers to do Christ-like healing. He is the author of nine books and many booklets and articles. His most popular books are *Performing Miracles and Healing*, a comprehensive biblical guide to developing a Christ-like supernatural ministry, *Beyond a Shadow of a Doubt*, a shorter book dealing with the doubts that block healing and most recently *Paid in Full*, a life-changing series of three books that confronts the Church with the neglected teaching of Christ on finances. His background includes the Eagle Scout award earned in his youth. He has served local churches as an elder, assistant pastor and pastor. He has been an Army Artillery officer, a prison, hospital, troop and pastor chaplain. He honorably retired from the U.S. Army in 1993 and was a popular theology professor for 5 years with Saint Leo College in Virginia. He holds a Bachelor's degree, a Master of Divinity degree and a Doctor of Philosophy degree in theology. Many have commented favorably on Dr. Sapp's relaxed style of ministry. He has frequently been a guest speaker at the Toronto Airport Christian Fellowship. He has appeared as a guest on John & Carol Arnett's television program. He has been a guest on several national Christian radio programs including Sid Roth's Messianic Vision and his television program *It's Supernatural*. Dr. Sapp presently travels full-time in ministry by invitation. He has been happily married to his high-school sweetheart, Ann for more than thirty years. Ann, a registered nurse, frequently travels with Dr. Sapp. They have four grown children. They live in the Dallas/Fort Worth area of the state of Texas in the United States of America.
